

# North Favored by 1 Over Warren; Sibley To Captain Team

By Dave Murphy  
Herald Correspondent

Senior guard John Sibley will lead a slightly favored North High Varsity against visiting Warren of Downey tomorrow night when the locals open the 1960 football season at Saxon Stadium at 8 p.m. Sibley, a veteran 225-pound guard, was elected by his teammates as captain of the North squad this week. He was rugged enough as a junior to make the all-Bay League honorable mention lists last fall.

ALTHOUGH THE Saxons have yet to gain a victory over Warren's single-wing attack in two previous meetings, the locals have been inserted as one-point favorites — if only because of a veteran line-up and the home field "advantage."

Coach Bob Shoup has named nine seniors, one junior, and one sophomore to the offensive starting line-up. Shoup has appointed hard running halfback Roy Dohner — the surprise of the pre-season drills with his elusive running — as acting co-captain for the game. He will be one of 11 returning lettermen to face Warren this year. Last year the two schools played to a 6-6 tie. In '58, Warren outdistanced the Saxons 22-0.

Included in North's starting combo for tomorrow night are two other huge linemen in end Ed Landwehr (210) and left tackle Gary Sexton (225) who boost the line average up to 194 pounds per man.

THE BACKFIELD quartet will be led by field general Carey Hubert, the lone starting 10th grader, with Derrick Busch at fullback, Dohner at half, and diminutive 135 pound Felix Alvililar at slotback. The backs average out to 150 pounds.

Jeff Bell will be waiting in the aisles to spell Hubert at the signal-calling slot.

Other starters are Gary Divino at center, Bob Martin at right tackle and Pat Lininger at right end, while Al Becker shares the guard duties with Sibley.

Coach Shoup — in his fourth year as Saxon head coach — says he plans to spend the first half of the long-awaited opener scouting the contest from the football stadium's brand new press box.

## Markel Returns To Cycle Race Wars at Ascot

Southland motorcycle racing fans got a big boost over the week-end with the announcement that two-time Michigan state dirt track champion Bart Markel was moving to southern California for J. C. Agajanian's weekly race card at Ascot Stadium.

Markel was the sensation of the first six weeks of the Ascot season. He won three main events and was third in another. He also was spilled twice.

## Tartar Coach Predicts Win Over Redondo Friday—Barring Fumbles

When Torrance and Redondo get together, you never know what's going to happen, but Tartar Coach Irwin Kasten prophesies another of his team's patented close victories tomorrow night . . . "if we can keep our fumbles down."

The two long-time rivals are rated fairly even for Friday's prep football curtain lifter at Seahawk Bowl in Redondo, with kick-off slated for 8 p.m.

### Final Flag Football Tryout Date Set Saturday at Alondra

Saturday is the final day of tryouts for Alondra Park's flag football leagues. All boys interested should sign up between the hours of 10 and 12 a.m. at the Activity Building.

Leagues are being formed in the following age groups: Pee Wees, 9-10; Midgets, 11-12; Juniors, 13-14; and Seniors, 15-17.

Adults are needed to act as volunteer coaches. For additional information call DA 4-9838 or DA 3-8125.

"Last year we fumbled five times and Redondo recovered four of 'em," Kasten recalls. However, the Tartars won it, 6-0 on a 60 yard punt runback by Joe Montgomery in the fourth quarter.

Two years ago the locals eeked out a 13-8 triumph in the waning moments. In '57 it was a 6-6 tie. And in '55 it was 0-0.

The same type of game is expected tomorrow evening, although the Tartars have an experienced backfield headed by veteran quarterback Howard Taylor.

"If Taylor's capable, we're going to be throwing a lot more this year, especially this Friday night," Kasten said this week as he named his starting line-up.

In the backfield are halfbacks Jerry McLean and Mike Irvine, with Allan Billings set to see starting duty at the slotback spot.

Cliff Weimer and Rick Hood will open at ends, John Keith and John Carlson to tackle. Eric Hansen and Mas Minemoto — a transfer from Redondo — get the

call at guards.

Letterman center Tommy Holdsworth is ticketed to start but missed practice Tuesday with a sprained ankle.

Torrance held an hour and a half drill last night under the lights to get used to game conditions and worked out extra-long Monday on the team's passing attack.

While he's confident of his offense, Kasten isn't so sure about the defensive unit

which was second only to Aviation last year in the Pioneer League.

"We didn't look bad Tuesday, but we didn't look good either," he says. The Tartars lost quite a bit when all-American middle guard Stan Gonta, along with Phil Nichol and several others graduated in June.

But sophomore 185 pounder Bruce Hendrix has apparently solved the search for a middle guard and will be the only 10th grader on the team to draw a starting assignment against the Seahawks, who run out of a tight-T and boast of a fine passer in QB Jim Allison.

### Benefit Dance Set Saturday for Local Pop Warner Association

A benefit dance to help defray costs of the Torrance Pop Warner Football Assn. will be held at the Redondo Beach Eagles hall at 8 p.m. Saturday with music by The Moonglows.

The new Torrance Pop Warner Football Assn. has arranged to field two teams for the current season. Get your tickets from your local Torrance Pop Warner football players at \$1 each. Tickets may also be purchased at the door of the Eagles Hall, 128 South Catalina Redondo Beach.
